***Vancliffen Arts Foundation* would also like to thank our External Jury formed by: *Felicia Serbanescu* and *Svetlana Pavlova* both Honored Members of the *Vancliffen Arts Foundation* that generously offered Scholarships to their Summer Programs and to classes during the year and all the organizations offering wonderful opportunities to these young Students. Many thanks to *Madame Diana Cardillo*, Director Venti di Eventi (TO) Italy and *Eric Demley*, International Ballet Competition of Belgium**

A very Special thanks to our Guest Teacher *Anna Maria Grosso* who shared her extensive knowledge with the Pre-Competitive and Junior Divisions, creating a wonderful atmosphere for these young participants by giving them encouragement and in the sign of mutual respect.

I was very honored to share the Senior and Semi- Professional classes with *Madame Annarella Sanchez*, whose warmth and generosity truly touched us all.

Her words to the students were inspirational, the words of a Mother to her children. In the few days she graced us with her presence, instilled in all of us a renewed belief that working together and believing in these young people, by going beyond just a foot a pirouette and the extension of a leg, we will see the rebirth of Ballet as an Art form and not just gymnastics.

Thank you to *Angela Tecaru Silvester, Romania*, who for years has been not only an Honored Member of the Vancliffen Arts Foundation but has been one of our biggest supporters. She is our Representative in Greece and in Romania for the Ballet Examination Program and also our Talent Scout, around the world, and is a Jury member in all our Competitions.

Last but not least our Collaborators *Maestra Katia Tenan* and *Maestra Erica Verdicchio* Directors of Le Reve di Rivoli, (TO) Italy, who did an amazing job in coordinating the entire event. Thank you for your love of the Art of Dance, for your passion, your patience and your Professionality, that is at the top of the list.
